

The **Hannah Duffy Foundation**, a recognized 501(c)3 tax-exempt organization, was established in memory of Tinton Falls teenager Hannah Duffy, who lost her valiant battle with brain cancer on September 26th, 2013 at the age of 14, following a year long battle with the disease. Hannah was an amazing young woman...funny, smart, a talented athlete, a fiercely loyal friend and the **BEST** big sister to her beloved little brother Robbie. She **never let cancer define her**, and was determined to live her best life, for however long that may have been.

Hannah had two very important wishes...to never be forgotten and for us to continue to fight for a cure. She didn't have to worry about being forgotten...for someone so young, she has left an incredible mark on her community and beyond, and has shown us all what it truly means to live life to the fullest and to be grateful for every day.

Our goal is to provide a lasting legacy in the form of annual scholarships to outstanding youth in the community as well as to provide funding for cutting edge pediatric brain cancer research.

Over the past five years, thanks to generous donations and successful events including our **Hustle4Hannah 5K**, we have donated \$60,000 to the Children's Hospital of Philadelphia (CHOP) and awarded over \$48,000 in college scholarships to local students. To be able to "pay it forward" is so incredibly important and gives us a sense of purpose as we move forward without Hannah physically here with us.

In an effort to continue Hannah's legacy, on Sunday, June 2, 2019, the Hannah Duffy Foundation will be hosting our 7th annual **Hustle4Hannah 5K & Kids Fun Run**, with all proceeds funding our scholarship and pediatric brain cancer research giving programs.

THANK YOU in advance for helping us to fulfill Hannah's greatest wishes. Your sponsorship donation is truly making a difference.

With our deepest gratitude,

Susan R. Funck
